

Our Philosophy:

At FPCC, our Children's Ministry exists to let children know God's love. We want to prepare them to discover and develop a personal relationship with Jesus. We nurture their spirit, equip them to exalt God, and experience the joy of service.

Wednesdays At The Church ~ WAtJC ~

Dear Families,

Every year after VBS we hear from you and your children how they wish the fun would last longer than one week. WATCH is FPCC's midweek program that is filled with the same type of fun as VBS. We sing, play games, learn a lesson and act it out, and then do a craft. The best part is when we come together for a family potluck dinner to end the night for the younger children. Please come and join us this September.

There is something for everyone.
